Agenda #	Relate To	Position	Name	Comments
4.		Favor	Citizen Citizensforfairness	Might be a good idea if you can clean up the homeless/unhoused/abandoned vehicles and mobile homes . South LA has become a filthy place. There are many beautiful homes and areas, but the facades of the stores and trash makes the neighborhoods look unkempt and unworthy. Many pay taxes and the services are not there.

			Lisa DiMercurio	Why are we spending more money on fireworks than on the 4th of July? it is racist to have Juneteenth. We don't have white, Asian, Italian, middle eastern, or the other 100 nationalities. We are all Americans. Stop dividing people and creating more racism.
			Nell Harris	\$200,000 redirected from Second District Transportation funds to an event closing the streets for approximately 6 miles needs more community input before allocation to the nonprofit. The proposal states meeting the "social needs of the population" and then later states the funding is given to the nonprofit for a period after the April event. Budget is not transparent and it seems that this is a misallocation of public funds. The \$200,000.00 would be better spent cleaning up the area and beautifying the route. I highly oppose this proposal.
		Other	Maya Mackey	Juneteenth celebrations should be funded in BLACK Los Angeles- Namely Crenshaw, Inglewood and South Central. Why DTLA?
